6:30 pm**

About The Department of Regulation and Licensing:

The Department of Regulation and Licensing and related professional boards, license and regulate 128 different types of credentials in 57 professional fields. The Department issues over 49,500 new credentials and renews more than 343,000 credential holders each biennium. The agency also provides centralized administrative services to 64 boards, councils, and advisory committees. The Department of Regulation and Licensing protects the citizens of Wisconsin by ensuring the safe and competent practice of licensed professionals through regulation, education, experience, examination, practice standards, and compliance.
